

Belle Severn
Staffhaven perm reg'd

My involvement with dogs goes back to my childhood. My father was in the military, and we travelled quite a bit so having a 'permanent dog' was not in the cards. My Dad was the type of person who brought any animal home that need attention or help. At one point when we were living in France his 'orphan' included a baby Peregrine falcon (BUTCH) that had fallen out of the nest. We nursed him back to health and when he had fully grown we released him..

When we returned to Canada in 1959, one of the first things my Dad brought home for me was a German Shepherd puppy. Since then, I have had several breeds including German Shepherd, Rough Collie, Labrador Retriever and Staffordshire Bull Terriers. Since 1973 the Stafford has been my breed of choice. I started breeding Staffords in 1976 and for several years Staffhaven dogs placed in Canada's top five for the breed.

Since 2005 and the BSL Legislation here in Ontario, I have not bred my Staffords, but will be once again in the very near future! We (my husband and I) also breed Doberman Pinschers under his kennel name MERKUR.

I am a member in good standing of the Canadian Kennel Club, the Staffordshire Bull Terrier Club of Canada, the Rideau Terrier Club, the Doberman Pinscher Club of Canada and the Kars Dog Club.

Our home has two – two legged occupants, two – canine occupants and two – feline occupants.... Hence the name THE MENAGERIE....
