

Candy Beauchamp

Growing up in rural Ireland, I have always had dogs in my life. We had Dachshunds, Boston Terriers and Rough Coated Collies as well as mixed breed farm dogs.

It wasn't until 1989 that I got my first SBT from Squibs Mercier and became a member of the Club. Since that time I have been involved in showing, Junior Handling (with my two daughters) and doing some breeding.

I am a Past President of the Club and have also held the position of Ontario Director in the past. I headed the Committee for Political Action and fought against BSL for years on a Municipal level before it was brought in by the Ontario Provincial Government. I continue to fight against BSL and am an active member of Ottawa Citizens Against Breed Specific Legislation. Currently, I hold the position of Ontario Director and also Rescue Coordinator.

I am a member of The Ottawa Kennel Club and am Vice President of The SD&G Dog Association.

I live in Ottawa with my two Staffords, Brosna and Arish.
